A Psalm of Religion and Patriotism

Arranged for Memorial Sunday by Rev. Luther K. Long, Pastor of Calumet Congregational Church.

Jehovah reigneth; let the earth rejoice;
Let the multitude of isles be glad.
Clouds and darkness are round about him;
Righteousness and justice are the foundation of his throne.
The heavens declare his righteousness.
And all the peoples have seen his glory.
O, ye, that love Jehovah, hate evil;
He preserveth the souls of his saints;
He delivereth them out of the hand of the wicked.
Light is sown for the righteous.
And gladness for the upright in heart.

Be glad in Jehovah, ye righteous;
And give thanks to his holy memorial name.
Oh, sing unto Jehovah a new song;
For he hath done marvelous things:
His right hand, and his holy arm,
hath wrought salvation for him.
Jehovah hath made known his salvation:

His righteousness hath he openly showed in the sight of the nations.

He hath remembered his loving kindness and his faithfulness toward the house of Israel;

All the ends of the earth have seen the salvation of our God.

Make a joyful noise unto Jehovah, all the earth;

Break forth and sing for joy, ye, sing praises.

Sing praises unto Jehovah with the harp;

With trumpets and sound of cornet, make a joyful noise before the king, Jehovah.

Let the sea war, and the fullness thereof;

The world, and they that dwell therein;

Let the floods clap their hands;
Let the hills sing for joy together.
Before Jehovah: for he cometh to judge the earth.

He will judge thy world with righteousness.

And the peoples with equity.

I love Jehovah, because he heareth my voice and my supplications.

Because he hath inclined his ear unto me.

Therefore will I call upon him as long as I live.

Praise ye, Jehovah!

MELLEN INDICTED TO SAVE J. P. MORGAN, HE DECLARES

Washington, D. C., May 23.—A dramatic climax marked the close of the sensational testimony of Charles S. Mellen, former president of the New Haven railroad, before the interstate Commerce commission yesterday, when, with evidence of deep emotion, Mr. Mellen swore that the late J. P. Morgan was cognizant of the Grand Trunk negotiations for which he (Mellen) was criminally indicted for violation of the Sherman anti-trust act, and that he "took the indictment that belonged to him (Morgan)," believing it would have killed the aged financier if he had been indicted.

Mr. Mellen spoke with intense feeling as he recited his efforts to shield the elder Morgan. This turned quickly to a show of resentment, however, as he told how the present J. Pierpont Morgan had suggested a "change in the presidency of the New Haven," of which suggestion, Mr. Mellen declared with emphasis:

"I called his attention to the fact that I had been suffering under the humiliation of an undeserved indictment to protect his father."

The crowded courtroom listened with intense interest as this closing recital was given.

ITALIANS PLAN USUAL REUNION

Federation From Upper Peninsula Will Meet Here

Plans are being formulated by a committee named by the Italian fraternal organizations of Calumet, practically all of which are affiliated with the Upper Peninsula Italian American Federation, for the annual reunion which will be held in this city the latter part of next month. The session will last three days, commencing on June 25, and will bring to Calumet hundreds of delegates from all parts of the upper peninsula. The last day, which is given over almost exclusively to the reunion feature, will bring several whole lodges from the iron country towns to the copper country, as well as all of the copper country lodges.

According to the plans already prepared, the first day of the convention, Thursday, will be devoted to business sessions, morning, afternoon and evening. These will be open only to the delegates of the respective lodges. Friday's principal feature will be a big banquet, for which provision will be made for several hundred guests. On Saturday there will be a big picnic in the C. & H. park with dancing and the usual features.

The Upper Peninsula Italian-American Federation really claims Laurium as its birthplace for it was largely through the instrumentality of Attilio Castiglione and other Laurium residents who worked untiringly to bring about this affiliation of the upper peninsula societies. Several prominent Laurium residents are now serving as officials of the organization. Last year's reunion was held in Iron Mountain.

EAGLE HARBOR MEMENTO.

Knights of Pythias Convention Committee Plans Novel Souvenir.

Laurium Pythians have been advised that the dates of the state convention of the order which will also be the dates of the upper peninsula convention, have been decided on. They will be Sept. 1 to 5. Laurium is preparing to send a big delegation to Ishpeming, the convention city and will have first and third rank degrees team competing in the degree team contests.

The Ishpeming Pythians recently adopted the official badge, and today bearing the emblem have been received. The badge has a picture of the schoolhouse at Eagle Harbor, Mich., where Justus H. Rathbun, the founder of the order, wrote the ritual which is in use at the present time.

The selection of this emblem for the souvenirs is of great interest to copper country members of the order because they have been instrumental in a campaign which has resulted in repairing the old schoolhouse as a standing memorial of the order.

HIBERNIAN COMMITTEES.

There was a joint meeting Thursday evening at the Mahoney residence in Laurium of the committees named by Division No. 2 A. O. H. and the Laurium Auxiliary, to prepare for the respective state conventions to be held here in August. Preliminary plans were discussed and plans were considered for commencing active work on the preparation of the program at once.

AT LAURIUM M. E. CHURCH.

The Helen Gould class of the Laurium M. E. Sunday school entertained at a very enjoyable concert and social session in the parlors of the church last evening. There was a large attendance. The program included numbers by some of Houghton county's best known entertainers.

HECLA STREET PAVING.

Work of Tearing Up Surface to be Started Monday.

On Monday the steam roller will be placed in commission on Hecla street to prepare that street for the paving operations to follow later in the summer. The surface of the street will first be spiked and loosened and then a quantity of rock will be removed, lowering the street to the proper level for the concrete top. The bed of macadam, which is about two feet thick on this street, will provide an excellent foundation for the concrete work and comparatively little grading will be necessary because it is planned to raise the street car tracks several inches so that they comply with the regular street grade. This raise will be made gradual so that the tracks will be almost level. The rock removed from this street will be hauled to Fourth street, between Tamarack and Pewabic, which has been torn up in preparation for a new top dressing which will be made possible with the rock secured from Hecla street.

Comparatively little grading will be required on Lake Linden avenue, from Hecla street to Tamarack. The present level of this street is about six inches below the established grade and the street car tracks will be raised accordingly. After the Hecla street grade is reached and the actual laying of concrete begun, excellent headway should be made.

FINISH CLEAN-UP IN WEEK.

Street Commissioner James V. Willis yesterday stated that excellent headway is being made with the annual spring clean-up asserting that by the end of the coming week the work will be complete. All of the streets have been subjected to the clean-up process and much of the refuse has been removed from the alleys, that remaining consisting principally of ashes.

It embodies the pictured document of a woman's heart, with all its strength and weakness, all its courage and despair.
